

Board of Radiation & Isotope Technology

SMS BASED QUERY SYSTEM

Board of Radiation & Isotope Technology (BRIT) has installed a new SMS Based Query Software. This will facilitate customers to get Order Processing, Radiography Camera, Invoices, Outstanding and Payment related information through SMS. Automated SMS will be sent to customers at the time of order registration in following format:

IGA No. 14143K: Registered for Product IRR for 35Ci for camera ROLI 1 (08544); Quote IGA No : 14143K for any query-BRIT

Customer can send **SMS to 09869486995** in the format as given below to get the related information.

1. To confirm the receipt of Cheque/DD payment, please send

CHQ Space <Cheque Number>

Kindly write full 6 digit Cheque number including initial zeros, if any.
