

PROCEDURE FOR CUSTOMER REGISTRATION

For availing gamma radiation processing services at RPP, any company needs to be registered as RPP customer. Customer registration is free of cost. For customer registration, following documents are needed:

- A letter on company's letter head, requesting registration of the company as customer at RPP to avail radiation processing services. Letter should be signed by authorized signatory,
- Self-attested copy of Import Export Code (IEC),
- Self-attested copy of manufacturing license,
- Self-attested copy of GST registration

These documents should be sent to the following address:

Facility-in-Charge,
Radiation Processing Plant,
BRIT/BARC Complex, Opp. APMC Fruit Market,
Sector-20, Vashi, Navi Mumbai-400703

After customer registration, customer identity number will be generated & this number should be mentioned in all correspondences.

PRODUCT DISPATCH

After customer registration, customer can send their consignment for radiation processing to RPP. For each consignment, the customer needs to send a duly filled "Order form for processing" which is available at website www.britatom.gov.in under services (<http://www.britatom.gov.in/docs/pdf/OrderRadiationProcess.pdf>). The customers are requested to schedule their dispatch after confirming with RPP.
